V300

Lightweight Active Wheelchair

The V300 is a lightweight manual wheelchair for temporary or permanent use with a fixed backrest. What makes the V300 unique is its seat depth of up to 52 cm. The largest seat depth in our range, providing maximum comfort to its user. The adaptable hook and loop backrest and seat cushion with comfortable padding are always included. V300 also has other options available such as a headrest, table and side supports.

Products designed to suit you

Our basic principle is: the wheelchair must be adapted to you, not the other way around. That is why our wheelchairs are evolutive and an answer to your specific needs.

All types of wheelchairs can be adapted, have numerous options and can be fully personalized so that there is a wheelchair for every person. This is the result of our continuous research and experience since 1957.

Quality guaranteed

Regarding quality, the **V300** complies with the highest norms, laid down by certified test institutes in most European countries.
