AURA PRO®

Special needs stroller

AURA Pro® is a special needs stroller designed for children with mobility limitations, offering safety and maximum comfort. Its smooth, stepless backrest and footrest adjustment ensures a perfect fit. Adjustable armrests enhance comfort during use. Ideal for long walks, it features PU wheels, rear shock absorbers, a central brake, and front wheels with directional locks for easy maneuverability. The stroller folds compactly for convenient storage and transport. The tilt-in-space function, reclining backrest, and adjustable footrest angle allow for quick position changes. A reversible seat enables forward or rearward travel for exploration or caregiver interaction.
